

HERE'S THE PROOF

Some firms say they focus on effective client representation. But our record and reputation in trial litigation compares favorably to any other firm in North Texas, large or small. Since 1998 our attorneys have tried hundreds of cases in the court room, as well as secured favorable results through effective negotiation involving many industries and in many areas of the law.

This is our niche: **trying and winning cases.**

Examples of that work can be found on the following pages. >

1. Roths, Personal Injury
  - ▶ **Defense Verdict**
2. Cothrum, Aspiration resulting in the death of a child
